

# Design Form

1. Specify the area you are wanting to design (i.e. In front of my house, near my patio in the back, etc.)?
2. What direction is this location facing? NORTH SOUTH EAST WEST
3. How many hours of Sun does this area get daily?
4. Is this an existing garden or open space? If existing garden, what plants do you already have in this space?
5. Are there existing trees or large shrubs in or near the area of this space?
6. How much space (square footage) are you wanting to plant?
7. What type of soil is in this area: Clay, Sandy, Rich Black Soil? Do you know the soil pH: too acidic or too alkaline?
8. What Garden Style interests you?
9. Are there any Specific Plants or Colors you would like planted in this area?  
Please list them here:

**Annuals:**
